Dear British Corporation team,

I write this e-mail to express my interest in joining your company in the future, in case you require additional personnel as part of your ongoing expansion. I have read in the news that your company has grown significantly and that it is planning strategic investments in Sadiel, Information Technology.

As a highly motivated professional experience in IT, having made several side projects for different clients, I am confident that my skills and background align with your company values and innovative spirit.

I have attached my resume for your consideration. I would be delighted to discuss how my skills and qualifications could benefit British Corporation in detail.

Thank you for considering my application. Feel free to contact me at +34727774907 or at [rodrigomartineztabernero97@gmail.com](mailto:rodrigomartineztabernero97@gmail.com).

Best,

Rodrigo Martinez Tabernero
